## What is Volunteer Exchange?

The Volunteer Exchange is based on a nation-wide program designed to allow members to trade a variety of short-term services. Only members of the Rossmoor Volunteer Exchange can utilize the program.

**It is not an emergency or last minute service.**

### How does the Volunteer Exchange work?

Members earn personal credits by helping those who require their services. These credits are recorded in each member's account and he/she can use them as he/she wishes: Options include requesting available services; banking credits for future use or need; or donating them to other members.

### Who is eligible for the services which are offered?

Rossmoor members of the Exchange can request services just as they may offer their services to other members.

## Why should I join?

- ◆ Assist your fellow residents in exchange for assistance when you require it.
- ◆ Meet other generous and considerate members of the community.
- ◆ Bank credits for future needs.
- ◆ Maintain your independence.
- ◆ Discover hidden talents!
- ◆ Obtain needed help without feeling that you are imposing.
- ◆ Help others without a long-term commitment.
- ◆ Show your commitment to the Rossmoor community.

### MISSION STATEMENT

The Rossmoor Volunteer Exchange provides a variety of short-term services to its members. This program is not an Emergency Service.

## Are there any costs involved?

A \$10 annual membership fee covers insurance, events, and incidental office supplies and expenses.

Services provided are only available from other members. All efforts are made to fill reasonable requests but availability cannot be guaranteed.

### To apply for membership or to get additional information

Contact the Volunteer Exchange at (925) 906-9882. Each prospective participant must meet with a Board member for a short interview to sign up for the program.
