Greetings from the Volunteer Exchange Board of Directors:

We have decided that the dues for next year will be \$10. Our fiscal year begins July 1. Please pay before then.

This has been our first full year of operation post covid and it's been quite a success. We actually have slightly more members now than we've ever had in the past. Welcome to all of you.

Our Feb meeting, which featured a presentation about the history of this valley and of the Stanley Dollar family, broke all of our previous attendance records. Wow! It was comical to see volunteers scrambling to set up more and more chairs as people kept arriving.

Speaking of volunteers, thanks to all of you for being a volunteer. Whether it's performing a service for another member or helping at one of our meetings, this club couldn't exist without you.

Our annual spring brunch is scheduled for June 7. We hope that many of you can attend. If you'd like to sit at the special "recent members" table, say so when you RSVP.

You can pay your dues at the brunch. If you're not attending the brunch, you could put a check in the Volunteer Exchange mail slot. It's inside the Gateway Administration Office building.

If you will be attending the brunch, please help us out with a prompt RSVP. Don't put it off and forget.

Linda Ledgerwood
